Justin Ibanez and Rowena Trevino were the overall winners at the Inaugural Superior Run for Fitness 5k Run and 2 Mile Walk held in San Diego over the weekend. Warm conditions and humidity were no obstacle as participants from surrounding areas came together to run and walk for a good cause. Luis and Nelissa Ortiz were the race directors responsible for putting on the event and were pleased with the participation. Everyone had a great time and look forward to next years event. Ernie Flores former runner for San Diego back in the 80's says he's managed to find time to run and stay fit. Consistency is what it takes and say's he has found time to fit it into his work schedule. Luis and Nelissa want to take this time to say THANK YOU to all the sponsors and participants alike for making our first run a successful event
